## **Esso 1983-84 Card Set of 21**

### **4 Key Cards**

Mark Messier, Dale Hawerchuk, Michel Goulet & Lanny McDonald.

### **Mini Card History**

There was a French and English version of these cards made in 1983. There is no real premium for either language. There was a “scratch” card to instantly win \$5000 attached to each card. Each team was represented by 3 Stars from each of the 7 Canadian teams. The ones I have are direct from the factory so mine all still have the “scratch offer” still attached. Mark Messier, Dale Hawerchuk and Larry Robinson were the biggest names in this set.

### **Mini Card Facts**

The size of each full disc mini card measures about 7.6 cm X 5.1 cm (2 in X 3 in). There was no album produced for this set. Your set will come to you in full panels with “unscratched offer” still attached.

### **Wayne Gretzky Notes**

Gretzky has no mini cards in this set.
