Sticker History

There were 4 different panels made that had the 4 divisions (26 teams) at the time back in 1994. The 4 teams that were not on these panels but that exist today are Nashville, Columbus, Minnesota and Atlanta. Some teams have since moved, but their old teams are on the panels. These panels were originally issued in cellophane packages.

Sticker Facts

The size of each sticker on each panel is 2.5 cm in diameter. Each panel measures 14.2 cm by 6 cm fully extended.
