1989-90 Kraft Singles Set of 12

1989-90 Kraft Singles Set of 12 (6 Panels)

4 Key Stickers

Wayne Gretzky, Steve Yzerman, Mario Lemieux and Ray Bourque.

Sticker History

These stickers came in 6 panels, 2 players per panel. Stars of note are Wayne Gretzky, Mario Lemieux, Steve Yzerman and Ray Bourque. They are very much sought after as a lot of collectors do not even know that these stickers exist. You could order your Kraft collectible album to hold these stickers as well as cards from 1989 Kraft with 5 U.P.C's, \$4.00 plus \$2.00 for postage and handling. I do not have this album as it houses the cards and stickers so it's not really a sticker album.

Sticker Facts

The size of each sticker varies in size but when cut out are about the size of a standard hockey sticker. These 12 stickers came on 6 numbered panels. Your set will be on full panels.

Wayne Gretzky Notes
