O-Pee-Chee 1987-88 Mini Card Set of 42

4 Key Mini Cards

Wayne Gretzky, Patrick Roy, Mario Lemieux and Ray Bourque.

Mini Card History

These are not stickers in the traditional sense but I have included them here on my site as they are the size of stickers and are very inexpensive to collect and cool to add to your collection. These were made to celebrate the All-Stars and league leaders from the 1986-87 NHL season. Prominent players featured are Wayne Gretzky and Patrick Roy. The checklist was the hardest card to pull from packs, it seems that O-Pee-Chee made less of these checklists (included in the 42 cards) than the other 41 cards.
