O-Pee-Chee 1988-89 Mini Card Set of 46

4 Key Mini Cards

Wayne Gretzky, Patrick Roy, Brett Hull and Mario Lemieux.

Mini Card History

These are not stickers in the traditional sense but I have included them here on my site as they are the size of stickers and are very inexpensive to collect and cool to add to your collection. These were made to celebrate the All-Stars and league leaders from the 1987-88 NHL season. Prominent players featured are Wayne Gretzky (with the Kings) and Patrick Roy and Brett Hull Rookie. The checklist was the hardest card to pull from packs, it seems that O-Pee-Chee made less of these checklists (included in the 46 cards) than the other 45 cards.
