4 Key Stickers

Patrick Roy, Guy Carbonneau, Larry Robinson and Claude Lemieux.

Sticker History

These stickers came in panels of 5. There were 42 different variations of panels made for this series (that I have seen). However, it only took 20-23 of these panels to make a complete set. There are some that believe that there are 88 stickers in the set, however when you include the Canadiens and Vachon logos, there are 90 stickers in the set.

I have created a numbering system for these panels on my site. One version of the 23 panels needed to make a complete set were:

panels #1, 2, 3, 7, 8, 10, 11, 13, 14, 15, 16, 17, 18, 19, 21, 22, 23, 24, 28, 29, 30, 32, 33.

The 17 panels that were NOT part of the set were panels #:4, 5, 6, 9, 12, 20, 25, 26, 27, 31, 34, 35, 36, 37, 38, 39 and 40. These extra panels are still very collectible as they contain some of the same stickers from the set but in different variations with different partner stickers.

The album is very thin and measures 8.25 inches by 11 inches.

Sticker Facts

The size of each sticker came in one of 2 sizes and measure about 2.5 cm X 4.3 cm (1 inch X 1.7 inches) or the bigger ones measure 3.9 cm X 6.5 cm (1.5 inches X 2.5 inches)

Wayne Gretzky Notes

Gretzky has no stickers in this set as he did not play for the Canadiens.
